REACH Statement

Magnesium oxide has been exempted from registration under REACH by the European Chemical Agency in Annex V. Because of this exemption and non-hazardous classification under Directive 67/548/EEC, there is no requirement that it be notified to the Classification & Labelling inventory.

Magnesium hydroxide has been officially registered with the European Chemical Agency under our Only Representative Charles River Laboratories Den Bosch B.V. of the Netherlands. Magnesium hydroxide products are not classified under REACH.

Registration Number: 01-2119488756-18-0001
Registration Date: 19 October 2010
Tonnage Band: >1000 tonnes/year
